Summary

I am a dedicated front-end developer of websites, and I love my work. I have the ability to design and transform designs into a compatible, clean environment in terms of code and consistent on all sizes of devices and mobiles, in addition to solving all problems that hinder work. I also have the ability to work and communicate very well with co-workers in order to invest time and effort and improve the rate of work productivity.

Experience

Frontend Web Developer

FSIT

Apr 2023 - Present (2 months)

Freelance & front-end design

none

Feb 2022 - May 2023 (1 year 4 months)

Frontend Web Developer

Al-Balael

Jan 2019 - Feb 2022 (3 years 2 months)

I worked for Al-Badael Company to develop and build a number of commercial projects and platforms, and I had a very good ability to design, create, and convert figma designs and others into clean and consistent code on all devices and mobile sizes, and the ability to communicate well with co-workers, according to the evaluation of work managers.
