Alaa Mhna

Frontend Web Developer
Tartus Governorate, Syria

Summary

I am a dedicated front-end developer of websites, and I love my work. I have the ability to design and transform designs into a compatible, clean environment in terms of code and consistent on all sizes of devices and mobiles, in addition to solving all problems that hinder work. I also have the ability to work and communicate very well with co-workers in order to invest time and effort and improve the rate of work productivity.
